MEMORANDUM FOR: See Distribution

SUBJECT: [ ] Meeting of the Committee on Narcotics  
Intelligence Issues (CNII)

1. (U) You are cordially invited to attend a meeting of the Committee on Narcotics Intelligence Issues (CNII) on **Wednesday, 19 April 2000.**

2. (S) The meeting will be devoted almost entirely to briefings and discussions on intelligence and dissemination architecture for **Colombia.** [ ]

[ ] [ ]  
[ ] CNII will then consider the creation and implementation of a dissemination architecture to assure that currently collected intelligence and that which will result from the Colombia supplemental budget gets to those who need it. CNC will table a strawman architecture paper as a starting point for discussion. Member comments and suggestions on additional collection enhancements not currently addressed or covered under the supplemental would be welcome. Please let me know of other matters you would like the CNII to take up.
